

BISHOP WORDSWORTH'S

PITCH IN FUNDRAISING CAMPAIGN

This year we are kicking off an exciting new campaign to raise funds for a much needed artificial sports pitch at Britford Lane

The new Multi Use Games Area (MUGA) will allow our pupils to develop their skills on a top-quality, all-weather surface, enabling us to train all year round. Integrated court markings will allow multiple sports to be practised in the same area, making this a hugely versatile space for all year groups.

The new MUGA will include:

- 5 England Cricket Board-standard retractable cricket lanes
- 2 netball courts
- Space for 5-a-side football
- A skills practice area for team sports such as rugby, lacrosse, hockey, and football
- Space for general fitness training and PE activities
