The **Bishop Wordsworth's School Parents Association** (a registered charity), is managed by volunteer parents/carers and provides a community platform for all parents/carers of students attending 'Bishops', enabling various fundraising events that provide various necessary items for the school that are not in the statutory funding program, to further enrich the lives of your children at school. Recent BWSPA fund raising has provided the students with books, table tennis tables, a basketball hoop and even a minibuss. We are currently looking to help further fund the Multi Use Games Area, provide a number of tables/benches for use in the school outdoor areas as well as provide a multi-use portable 'mini marquee' for use at outdoor sporting and other events.

The more that parents get involved to help raise funds, the greater the benefit for our children!
